

GCSE Performing Arts – Applied (Provisional)

This course gives students the opportunity to develop their skills as practitioners whilst expanding their knowledge and understanding of the vocational significance of the performing arts industry.

They will get the opportunity to put on performances in different settings and contexts and specialise in the technical aspects of performing arts that interest them the most.

In addition, students will have the opportunity to develop a range of key skills appropriate to future employment.

Students will be assessed on their contribution to the 'Showcase Performance' and their portfolio work. A good attendance record, a willingness to work as part of a team and lots of enthusiasm are essential!

NB. This course is provisional and may depend on student numbers.
